

## Compressor 24/8/1,5

Art.-No.: **40.100.58**

Bar code: **4006825533088**

Sales unit: **1 pc**

The 24/8/1,5 is the ideal equipment for DIY and convince through huge air capacity at a high pressure. The mobile and oil-lubricated 1-cylinder compressor with direct coupled engine and starting release is suitable for nearly all compressed air application. Especially for paintwork, spraying, airbrush technique, inflating of balls and rubber floats.

### Features:

- Chassis with handle (1)
- Pressure switch (2)
- Air-intake filter (3)
- Self-switching-off quick coupling (4)
- 1 gauge for non-regulated vessel pressure
- Drain valve
- Back pressure valve
- Safety valve
- Mains cable with earthed plug
- **10 years warranty against rusting of the vessel**

### Technical data:

- |                            |                        |
|----------------------------|------------------------|
| - Mains:                   | 230 V ~ 50 Hz          |
| - Motor Power:             | 1.1 KW / (1.5 HP)      |
| - Suction capacity:        | 154 l/min              |
| - Vessel capacity:         | 24 l                   |
| - Speed:                   | 2850 min <sup>-1</sup> |
| - Operating pressure max.: | 8 bar                  |
| - Weight:                  | 22.5 kg                |
| - Packing dimensions:      | 580 x 255 x 580 mm     |
