Base frame for RT-UD 1825

Art.-No. 43.106.02

This base frame is designed for the admission of the radial pull saw RT-UD 1825. Assembling and dismantling the base frame is easy thanks to a folding mechanism. Sturdy edge stops guarantee secure fastening of the machine. Practical transport wheels and a handle enable fast changes of position. A robust tubular construction ensures a long service life of the base frame.

Features

- Secure fastening of the machine thanks to edge stops (1)
- Easy assembly and dismantling due to folding mechanism (2)
- Long service life thanks to robust tubular construction (3)
- Practical transport wheels (4) and handle (5) for easy transport
- Adjustment fence for easy height compensation (6)
