

The silent power in your garden!

Einhell®

NEW GENERATION

High-performance, low-noise power shredder with roller cutting unit - without the noise typically generated by conventional impact cutter shredders.

The shredder has a comfortable and backlash-free self feeder without recoil to cut even larger-sized and harder types of trees and hedges, branches and bushes into optimally-sized compost. **The distance between cutting roller and counter blade is adjustable for more effective operation. The pusher ensures speedy working and high material throughput.** The large-sized funnel opening ensures easy and comfortable filling. The sturdy, foldable collection bin guarantee a clean transport of the garden rubbish. The shredder with its convenient transportation handle has been designed for an overall attractive impression.

LH 2500 Low-Noise Shredder

Logistic Information:

Type:	LH 2500	Sales unit:	1 pc
Art. No.:	34.305.30	20``:	162 pcs
Ident. No.:	01015	40``:	360 pcs
Bar Code:	4006825511215	40``HC:	480 pcs
Packing:	590x360x625	Weight:	30 kgs (gross)

The silent power in your garden!

Einhell[®]
NEW GENERATION
