BVBA-002

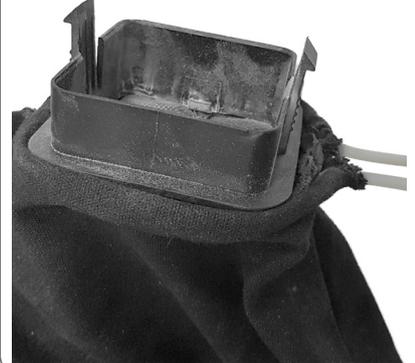

1. Bag adaptor for use with model BLV-2401

2. When placing the adaptor in the elastic opening, ensure the bag sits within the groove around all four sides.

3. Overlap the cable tie around the opening all the way around the adaptor, ensure the cable tie sits within the groove around all four sides.

4. Pull the cable tie tight and cut off the excess.

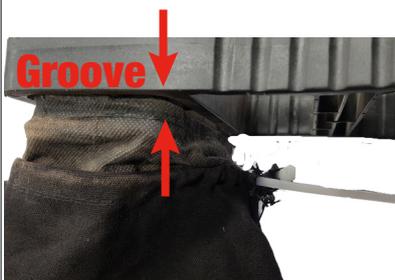

IMPORTANT

- Always ensure the bag is correctly attached.
- When not in use, the blower vac should be stored in a dry, frost free location not within the reach of children.
- DO NOT leave wet debris inside the blower vacuum bag.
- In the interest of safety, always read the instruction manual for full details relating to safety instructions, assembly, operation and maintenance of your power tool.
