**Cordless Screwdriver**

**TE-SD 3,6/1 Li**

**Item No.: 4513501**

Ident No.: 21023

Bar Code: 4006825622744

The Einhell TE-SD 3.6/1 Li is user-friendly, ergonomic and powerful. A firm and comfortable grip is ensured by the ergonomic design and Softgrip. The robust metal gearing is designed for durability. The cordless screwdriver is always ready-for-use thanks to the lithium-ion technology without self-discharge and the advanced charging mechanism with the Micro USB charger. The cordless screwdriver from Einhell is supplied with a set of 10 bits. The bits can be changed quickly and intuitively thanks to the magnetic bit holder. Optimum operation in dark areas is ensured by the integral LED lighting.

## Features & Benefits

- Always Ready-for-use due to Li-ion technology without discharging
- Advanced charging mechanism with the Micro USB charger
- Quick and intuitive bit change thanks to the magnetic bit holder
- LED lighting for optimum operation in dark areas
- Extremely easy to work with due to ergonomic design and Softgrip
- Robust metal gearing for maximum durability
- Immediately ready-for-use thanks to the 10-piece bit set

## Technical Data

- |                          |                                      |
|--------------------------|--------------------------------------|
| - Accumulator            | 3.6 V   1500 mAh   Li-Ion            |
| - Charging time          | 3-5h                                 |
| - Idle speed             | 180 min <sup>-1</sup>                |
| - Max. torque hard       | 4.5 Nm                               |
| - Number of torque steps | Not adjustable                       |
| - Tool holder            | Bit holder (6,35mm/¼")  <br>Magnetic |
