

Garden pump PVJP 1100 Niro

Art.-No.: **41.822.19**

Bar code: **4006825534887**

Sales unit: **2 pcs**

The garden pump is extremely silent and therefore ideal for service near living quarters, for the weekend chalets or hunting lodges or nearby gardens.

Other features are the large suction capacity and its long service life.

The unit is powered by an asynchronous motor with thermal protection. The pump housing is made of corrosion resistant stainless steel, therefore durable and not rusty colouring of the water supplied.

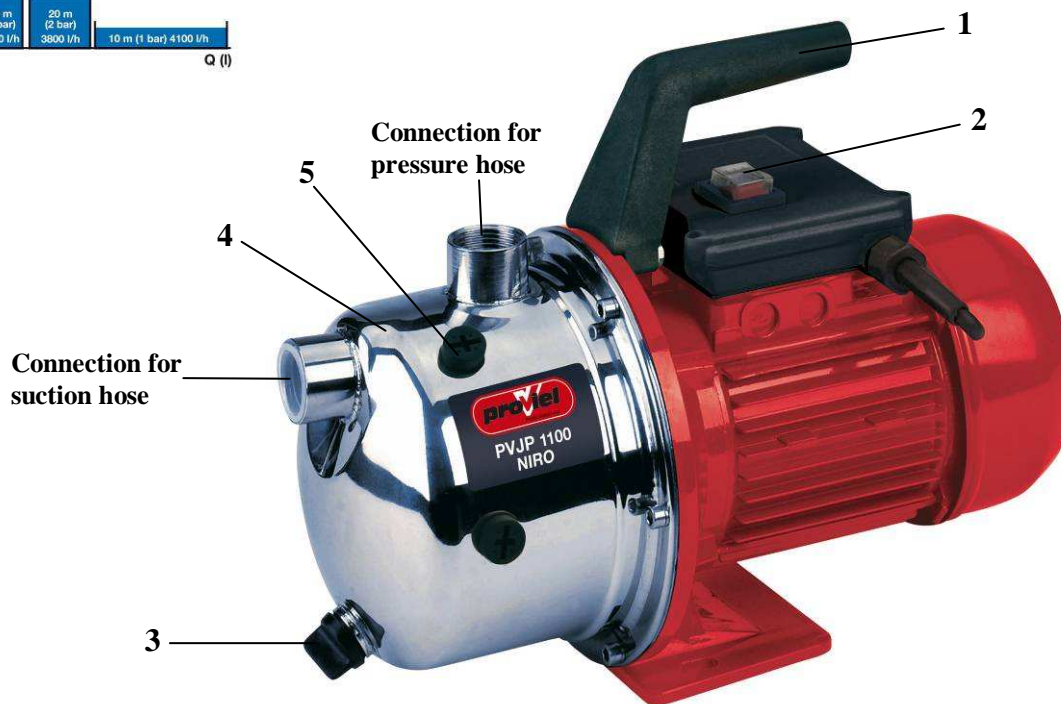

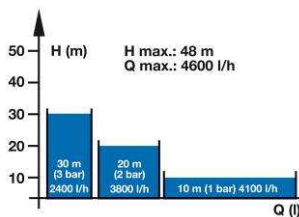

Features:

- Carrying handle (1)
- On/Off switch (2)
- Water drain switch (3)
- Stainless steel pump housing (4)
- Water filler screw (5)
