

Electric Snow Thrower ESF 1839

Art.-No.: 34.170.30

Bar code: 4006825537956

Sales unit: 1 pc

The Electric Snow Thrower ESF 1839 cares for an especially noise-less, environmentally-friendly running and long life span by its electric motor. It is simple to use and very low-maintenance. The two-point safety switch avoids an accidental activation of the Snow Thrower.

With the snow ejector adjustable up to 180° it is particularly suitable to mill small snow areas. Due to the ergonomically push-bracket and the wheels it is easy to slide through the snow.

It's an easy going to make footpaths and gateways free from snow without to raise much energy.

Features:

- Powerful electric motor
- Ergonomically handle (1)
- Adjustable cover for controllable throwing range (2)
- Easy snow ejector adjustment (3)
- Milling unit (4)
- Wheels (5)
- Two-point safety switch for milling unit handle (6)
- Overload safety device
