## BG-RS 2845/1 CB Electric Silent Shredder

Art.-No. 34.305.61

High performance and noiseless electrical shredder with roller cutting unit (1), which works without the noise of a conventional impact cutter shredder. The shredder has a comfortable self feeder without recoil and cuts up probably also larger and harder trees and hedges and bushes to optimally compostable parts. The large dimensioned funnel opening makes a simply and comfortable filling possible. Because of the transparent box easy reading of filling stand is possible, the integrated safety switch offers a maximum of security.
