

Party Heating Reflector PS 1001

Art.-No.: 23.340.20

bar code: 4006825233513

Sales unit: 2 pcs

High efficiency terrace heating reflector for cooler days and chilly evenings creates comfortable warmth within a range of 12 m in diameter. The heating capacity can be adjusted continuously (5).

Features:

Reflector (1) made of aluminium, thermoelectric ignition (without picture), piezo ignition (without picture), gas hose and regulator (without picture), gas bottle cover (2), burner (3), mobile with castors (4)

Suitable application for:

Commercial and private use, wherever comfortable warmth is required during cold days or on chilly evenings on the terrace. The gas bottle can be stored in the base of the heater.

Technical data:

Gas connection:	p50 (mbar)
Type of gas:	I ₃ B/P G 30
Rated heat load max.:	(H _s /H _i) 12 / 13 KW
Gas consumption:	approx. 940 g/h
Heating period:	approx. 14 h – at large setting using a 11 kg bottle
Type of gas:	Propane/Butane
Height:	approx. 2,2 mtr.
Reflector size:	approx. 85 cm Ø
Weight:	approx. 31 kg
Packing dimensions:	855 x 445 x 970 mm

Made in Germany
DVGW-approved
