

18V DRILL DRIVER

PXDDS-180

EH-Art. No: 30.001.68
Ident No: 11017
Barcode: 9319510024101
Bunnings Item No: 0124074

The Power X Change 18V Drill Driver is ideal for drilling holes and driving screws. With 21 settings and 40Nm of torque, you can fasten screws to the perfect depth.

A variable speed trigger and 2 speed gearbox makes driving screws and drilling holes a breeze. The compact design and sure grip handle ensures the drill remains comfortable in hand while you work. Dark workspaces are also readily illuminated by the inbuilt LED worklight.

FEATURES & BENEFITS

13mm Keyless Chuck – *Swap bits quickly and easily*

2 Speed Gearbox – *Adjust your speed for the job at hand*

21 Torque Settings – *Fasten screws to the perfect depth in your workpieces*

Variable Speed Trigger – *Intuitively adjust your drilling or fastening speed as you work*

Sure Grip Handle – *Comfortable and secure grip while you work*
