## Pendulum Jigsaw Kit

This pendulum jigsaw makes working a real pleasure because of the toolless adjustable soleplate and the easy-to-change saw blade. Both saw blades with a T and U shaft can be used.

Full view of the blade enables easy, precise work. An electronic stroke speed guarantees smooth operation. An integrated LED provides additional illumination in difficult-to-work areas.

After use, the blades are stored safely inside the tool.

### Features

- Toolless saw blade change (T-shaft and U-shaft)
- Saw blade depot on the unit
- Aluminium-saw plate toolless adjustable
- Stroke-speed electronic
- Pendulum action with 4 settings 0/1/2/3
- LED-light
- Folding transparent guard
- Parallel guide
- 3 saw blades
- Cable clip
- Einhell Softbag
