The Ozito PXCLMS-018 Brushless Lawn Mower is powerful, lightweight and portable making it easy to manoeuvre and ideal for maintaining lawn areas up to 150m². The brushless motor technology eliminates friction and wear for more efficient operation which means a cooler motor and longer runtime.

Featuring a three position cutting height adjustment that allows a simple, individual adjustment of the cutting height while the 25 litre plastic grass catcher collects lawn clippings to give your lawn a neat and tidy finish. It also features a safety switch to help avoid accidental start-ups and an integrated carry handle, making it easy to transport.

Lithium Ion technology provides cordless convenience and eliminates the need for long extension cords. Choose the 18V Lithium Ion battery for the run time you need.
