The Original Einhell E-Case Battery Holder is part of the modular E-Case system and enables safe storage of up to three Power X-Change batteries directly on the tool case. The batteries lock into place for a secure hold. With a maximum load capacity of 4 kg, the holder is suitable for all PXC batteries. Installation is tool-free with a snap lock. Even with the battery holder attached, the E-Case can still be fully opened as usual. On stacked E-Cases, multiple holders can be fitted – one per side rail. The battery holder is compatible with Einhell SEALED E-Cases; the required side rail is available separately.
