

Electric Silent Shredder GLLH 2845

Art.-No.: 34.306.00

Bar code: 20014957

Sales unit: 1 pc

High performance and noiseless electrical shredder with roller cutting unit, which works without the noise of a conventional impact cutter shredder. The shredder has a comfortable self feeder without recoil and cuts up probably also larger and harder trees and hedges and bushes to optimally compostable parts. The large dimensioned funnel opening makes a simply and comfortable filling possible. Because of the transparent box easy reading of filling stand is possible, the integrated safety switch offers a maximum of security.

Features

- Practical transport handle
- Large funnel opening
- Transparent box for easy collecting and carriage from the shredder material
- Stable legs
- Robust undercarriage with wheels
- Integral safety switch on the shredder material debris box
- ON / OFF-switch protected against automatic restart by undervoltage release
- Motor overload switch
- Reverse running switch
- Integral plug for connection cable

Technical Data

- Mains: 230-240 V ~ 50 Hz
- Power: 2,300 W
- Max. Power: 2,800 W (S6 / 40%)
- Cutting unit idling speed: 40 rpm
- Max. branch diameter: 45 mm
- Box capacity: 60 Litre
- Sound level LWA: 92 dB (A)
- Product weight: 30.5 kg

Logistic Data

- Net weight: 30.5 kg
- Gross weight: 32.3 kg
- Packing dimensions: 570 x 415 x 515 mm
