## EXPERT

Stationary Belt-Disc Sander

**TE-US 400**

**Item No.: 4419245**

Ident No.: 11019

Bar Code: 4006825649970

The Einhell stationary belt/disc sander TE-US 400 is a powerful 2-in-1 machine consisting of a belt sander and disc sander, powered by a durable 400 W induction motor for quiet, low-vibration work. The sanding arm is horizontally and vertically adjustable; the sanding belt (100 x 914 mm) can be replaced and adjusted quickly. With a belt speed of up to 348 m/min and 1800 rpm on the Ø 150 mm sanding disc, the TE-US 400 provides optimum performance. The table made of torsion-resistant cast aluminium can be flexibly mounted on a sanding belt or disc and tilted up to 45°. A pivoting transverse stop (-60° to +60°) and a 36 mm suction port complete the device.

## Features & Benefits

- Induction motor: low vibration, maintenance-free, durable
- Belt and disc sanding function
- Horizontally and vertically adjustable sanding belt
- Easy sanding belt change thanks to tensioning system
- Tool-free belt centring for optimal tracking
- Sanding disc with practical hook-and-loop fastening
- Tilttable aluminium cast worktable with angle scale
- Worktable can be mounted on either belt or disc
- Pivoting stop from -60° to +60° with angle scale
- Sturdy, torsion-free steel construction
- Rubber feet for secure, low-vibration stability
- Dust extraction port with Ø 36 mm
- Includes sanding belt and disc (1x P80 each)
