

# MINI CHAIN SHARPENER

OMCS-012

EH-Art. No: 30.004.19

Ident No: 11018

Barcode: 9319510023869

Bunnings Item No: 0123303 Aus  
0123303 NZ

The Mini Chain Sharpener provides for fast, consistent chainsaw chain sharpening.

Being lightweight and portable with battery alligator clamps will allow sharpening of your chainsaw chain anywhere when needed from a standard 12V lead-acid type car battery, providing convenience when sharpening at remote locations.

With the chainsaw sharpening guide and using the correct size diamond-sharpening bit, you can bring a sharp cutting edge back to your chainsaw chain.

## FEATURES & BENEFITS

**Chainsaw Chain Sharpener** – *Brings a sharp edge back to your chainsaw chain to achieve optimal cutting performance.*

**12V DC Power** – *Runs off the power of the battery of your vehicle.*

**Diamond Sharpening Bits** – *Includes 4, 4.8, 5.5mm sharpening bits suitable for common chainsaw chains.*

**Spindle Lock** – *Makes changing accessories easy.*
