The Einhell belt sander TC-BS 8038 is an 800 W sander with a high rate of material removal. The fast belt change facility takes the fuss out of using the tool. To enable an immediate start on a project, a grinding/sanding belt is included in the scope of delivery. The precision adjustment facility ensures precision belt positioning and optimum grinding/sanding results. An additional handle ensures comfortable handling and enables precise guidance of the grinder/sander over the wood. The additional ceramic guard offers protection in case the belt position is not set correctly. The integrated dust extractor and dust bag ensures a clean workplace despite the grinding/sanding job.
