BT-AC 12V

Car Air Compressor

Item No.: 2072110

Ident No.: 01039

Bar Code: 4006825503067

The Einhell BT-AC 12 V car compressor is a handy and high-performance compressor specially for flexible and mobile use. Thanks to the 12-Volt connection with cigarette lighter plug and the 2.9 m supply line, different compressed air operations as e.g. the inflation of vehicle, motorcycle, bicycle tires, balls, small air mattresses etc. can be carried out quickly and at any location. Via the integrated pressure gauge, the current air pressure can be read from 0 to max. 18 bar. The air hose is additionally provided with a quick-locking valve for comfortable operation and can be used in a versatile manner with the supplied 3 auxiliary adapters (water ball, air mattress and ball adapters).

Features

- Pressure gauge 0 - 18 bar
- 2.9 m connection cable (12 V) with cigarette lighter plug
- Air hose with quick-locking valve
- 3 pcs spare adapters (water ball-, air bed-, and ball adapter)

Technical Data

- Rated voltage 12 V
- Operating pressure max. 18 bar

Logistic Data

- Product weight 0.68
- Gross weight single packaging 0.77
- Pieces per export carton 20 Pieces
- Gross weight export carton 17 kg
- Dimensions single packaging 195 x 93 mm
- Container quantity (20"/40"/40"HC) 0 | 12120 | 25104
