Power Generator (Petrol)

TC-IG 1200

Item No.: 4152585

Ident No.: 21015

Bar Code: 4006825686050

The TC-IG 1200 petrol power generator supplies power via a standard 230 V socket/50 Hz, to which many devices can be connected. The generator is powered by a powerful 4-stroke drive motor. The generator has a maximum power of 1200 W. The petrol tank has a capacity of 3.5 litres. Inverter technology ensures power without voltage peaks, so that even sensitive devices can be connected. The tubular frame protects the device and makes it easy to transport. The generator is started via a pull cord. Oil shortage protection and overload protection ensure safe and long-lasting operation. The stable bases ensure safe operation.

Features & Benefits

- Inverter Technology for Power Without Voltage Peaks
- Powerful 4-Stroke Drive Engine
- Equipped with 1x 230 V Socket
- Overload and low oil protection for long-lasting operation
- Robust frame to protect the device
- Stable bases for safe operation
- Easy operation of the cable pull to start the engine
- Flexible use thanks to lightweight and compact design

Technical Data

- Type of generator	Synchronous - with Inverter
- Frequency	50 Hz
- 230 V socket	1 pcs
- Engine type	four-stroke, air cooled
- Engine displacement	56 cm ³
- Engine speed	4800 min ⁻¹
- Fuel	Petrol (unleaded) / E10
- Capacity of fuel tank	3.5 L
- Running time with 2/3 load	5 h
- Sound power level LWA	95 dB (A)
- Max Watts	1200 W
- Running Watts (max)	1000 W

Logistic Data

- Product weight	12.79 kg
- Gross weight	14.36 kg
- Dimensions single packaging	400 mm x 355 mm x 400 mm
- Pieces per export carton	1 pcs
- Gross weight of export carton	14.36 kg
- Dimensions export carton	400 mm x 355 mm x 400 mm
- Container quantities (20"/40"/40"HC)	460 pcs 950 pcs 1140 pcs
