## BH 2000 H Bathroom Heater

Art.-No. 23.385.67

The EINHELL Bathroom Heater BH 2000 H is equipped with a towel holder for drying. The product can be used with or without towel holder. A low noise level fan disperses the air optimally in the room. With the integrated thermostat a comfortable, constant room temperature can be adjusted.

The BH 2000 H is especially suitable for wall assembly in bathroom / toilet, hobby- and cellar rooms, utility rooms and winter garden.
