

**Precision results and unlimited mobility!**

**Einhell®**  
**NEW GENERATION**

For cutting grass in hard-to-reach areas, e.g. along fences and walls, between and underneath bushes – wherever the lawn mower cannot reach or where the grass is already too high. With its strong 500 Watt motor the lawn trimmer is a convenient tool to help keeping the garden tidy. The rotating nylon thread cuts grass as neatly as the blade of a lawn mower.

The trimmer features fully automatic thread feed for optimized cutting results. Elegant design made of impact-resistant, high quality plastics for an overall attractive impression.

## **NRT 530/1 Electric Grass Trimmer**

### **Logistic Information:**

<b>Type:</b>	<b>NRT 530/1</b>	<b>Sales unit:</b>	3 pcs

# Einhell®

## NEW GENERATION

### Features:

- Cutting head, rotating (180°) and tiltable (3 positions)
- Continuous extendable guide rail
- Flower protection for clean working on sidewalks and flower patches
- Adjustable front handle for added comfort of use
- Fully automatic nylon thread feed
- Grass trimming with double nylon thread
- Slide pads for comfortable working

### Technical Data:

- Voltage: 230V~50 Hz
- Power: 500 watts
- Cutting width: 300 mm
- RPM: 9,500 min<sup>-1</sup>
- Nylon thread Ø: 1.4 mm
- Thread length: 10 m
