

# ELECTRIC HEDGE TRIMMER

## Quick Set-Up Guide

### Using The Hedge Trimmer

1. Open carton carefully and remove all items.  
Ensure you have all items before you discard the packaging.
2. Remove the plastic blade guard.
3. Ensure Plastic Hand Guard is Securely fixed.
4. Connect to the mains supply, as with any outdoor electrical appliance we would always recommend connection via an RCD (Residual current device).
5. As a safety feature for this unit to operate, you must hold on to the handle with one hand and operate the switch on the rear handle with the other hand.
