This Ozito Lawn Edger has been designed to trim your lawns edges and keep your yard looking neat and tidy.

The dual cutting blade provides a vertical cut into the lawn bordering your driveway, footpaths and paved areas. It can also be used to help you with landscaping tasks such as shaping flower bed borders and trees to give you that professional sharp look.

With 140mm dual rear wheels and with a front guide wheel this edger will provide you with complete control and ensure a straight cut every time. 3 adjustable cutting depths make this edger perfect for a variety of different lawn types. The safety lock-off switch prevents accidental start-ups while the power cord retainer makes the power connection secure.
