

GEE 1700

Electric Lawn Mower

The electric lawn mower for clean-cut lawns in any garden. The blade is driven by a powerful induction motor for high torques, the perfect solution for cutting even higher grass. Optimized design for best handling in difficult-to-reach areas such as shrubbery, bushes, trees etc. Completely closed base frame for a perfect air flow, to guarantee perfect cutting results every time!

Features

- Powerful induction motor with high torque
- 10-steps central cutting height adjustment 25 - 75 mm
- Double folding handle for storage in very limited spaces
- Ergonomically designed guide handle for fatigue-free operation
- Large collection bin 63 ltr.
- Perfect aerodynamics thanks to twin shell design – perfect ejection of cuttings
- Long handle with 4 tilt settings – adapts to users of all heights
- Recommended for lawn area up to 800 m²
- Two-hand safety switch
