

HAMMER DRILL

PXHDS-180

Drill, drive and hammer drill into wood, metal, brick, stone or concrete with this lightweight and compact 18V Hammer Drill. With 3 modes to choose from, 21 torque settings and a 2 speed gearbox, you have the power to choose how you work, whether it's high speed drilling or high torque fastening applications.

The 13mm keyless, metal chuck makes accessory changes quick and easy, whilst the sure grip handle ensures user comfort while you work.
