

Einhell

System Carrying Case

E-Case Tower

Item No.: 4540015

Ident No.: 21024

Bar Code: 4006825660609

The Einhell E-Case Tower is part of the modular E-Case system from Einhell. It is suitable for storing and transporting machines and accessories. The locking system ensures the secure connection of stacked cases. The case is made of polypropylene, which is splash-proof, heat-resistant and impact-resistant thanks to the high-quality material. The sturdy construction allows a total load of 120 kg. The large, rubberised wheels ensure easy transport on any surface. A foldable, ergonomic handle ensures comfort. Contents: E-Case L with insert for hand tools, 2x E-Case S with foam + separators, 3x stickers for labelling.

Features & Benefits

- Part of the modular E-Case system from Einhell
- Set of storage system cases for keeping equipment & accessories
- Locking system to securely attach stacked cases
- Sturdy construction for total loads of up to 120 kg
