

PRO-BS 850 E

Belt Sander

A very high abrasive capacity is warranted by the powerful motor and the high belt speed. The belt sander is flexible due to electronic speed control and folding front cover. It serves on the one hand as a spacer and allows (opened) also to work on small intervals. The adjustable additional handle cares for an ergonomic work position.

Features

- Powerful motor 850 watts
- Variable belt speed
- Folding front cover
- Adjustable additional handle for optimal working with the belt sander
- Soft handle
- Easy and quick change of sanding belt
- Precise belt running
- Dust extraction adapter and dust bag
- 1 sanding belt
